

GROUP DISCOUNTS AVAILABLE FOR SELECTED MASON GROSS EXTENSION DIVISION SUMMER CAMPS & INTENSIVES

May 10, 2018

Greetings,

We are excited for the start of summer camp season in just under two months from now!

GROUP DISCOUNT

- Our Early Bird Discount (15% off of tuition) has lapsed as of April 15.

- For those who missed the discount, a group discount is now available to students from schools sending a minimum number of students to MGED camps. The group rate will allow these groups of students to register using the Early Bird rate (15% discount) through June 11. This may not be combined with any other discounts (i.e./ faculty & staff).

- **The minimum number of students from a particular school required to receive this discount is as follows:**

- **Music** – a minimum number of 10 students from a school must register for any combination of our available music camps (band, jazz, choir, chamber music, music theory boot camp, oboe reed making intensive)

- **Visual arts** - a minimum number of 5 students

from a school must register for any combination of our available visual arts camps (filmmaking, design, drawing & painting, junior drawing & painting)

- **Dance** - a minimum number of 5 students from a school must register for the Rutgers Summer Dance Conservatory
- **Kids Create** - a minimum number of 5 students from a school must register for Kids Create.

Please note: this offer does not apply to the Rutgers Summer Acting Conservatory.

PROCESS

- School instructors should provide our registrar, Dana Wilson, dwilson@mgsa.rutgers.edu, with a list of students who will register.
 - For camps requiring auditions, all auditions standards will remain in place.
 - Students seeking to participate in audition-based camps should register for that camp's audition. When they are accepted they will receive a discount code to use that will result in the discount being applied.
 - Students who have been accepted by a camp faculty member may indicate **accepted by (name of faculty member)** in the place of an audition video.

GROUP DISCOUNTS AVAILABLE FOR SELECTED MASON GROSS EXTENSION DIVISION SUMMER CAMPS & INTENSIVES

- All students requesting consideration for honors placement (this pertains to music camps and the drawing & painting intensive) should submit an audition video, or their portfolio as required.
- **For camps not requiring auditions, students may simply register.**
 - Students registering for non-audition-based camps should be included on a list provided to the registrar who will apply the discount after students have registered.
 - Students should register with the minimum payment amount and set up a payment plan. The discount will lower the cost of camp once applied.

REGISTRATION

- **All registration is online.** Please direct people to the camp website, easily located from our [summer camp home page](http://www.masongross.rutgers.edu/extension-division/summer-programs). <http://www.masongross.rutgers.edu/extension-division/summer-programs>
