Bachelor of Music: Composition - Music Ed Vocal Double Concentration Requirement Notes

- * In addition to the 60-minute Composition Senior Recital, a 30-minute Senior Recital is required on the major instrument for Music Education students who enrolled Fall 2013 and thereafter. The senior recitals cannot be scheduled if a student has a grade of Unsatisfactory in any semester of Music Assembly.
- ** All Bachelor of Music Students (except those majoring in classical piano performance) must pass the Piano Proficiency Examination by the end of the second year. Courses in piano are available to prepare students for this examination.
- *** Opera Workshop may be counted as Chamber Music.
- ^ These courses require field experience.
- (^) *Inclusive Learning in Music* (07:700:389) must be taken in conjunction with a course that requires Field Placement.
- ^^ Registration in Music Assembly is required in every semester of full-time matriculation except for the Clinical Practice II semester.
- ~ For students who enrolled Fall 2015 and thereafter, Music Ed/Composition students are required to register for *Helix* (07:701:301) for two semesters. Prior to Fall 2015, these two credits fulfilled elective credit requirements. *Helix* may count as 2 credits of chamber music.
- (-) Composition/Music Ed students must complete a jury on his/her major instrument in each semester of lesson registration and a composition portfolio review at the end of each academic year.
- + These courses, along with *Expository Writing*, 12 credits of Liberal Arts coursework with a GPA of 3.00 or higher, and a passing piano proficiency exam should be completed before the Music Education Advisory Review (MEAR). The Praxis Core Exam **must** be completed before MEAR. (unless exempt).
- ++ It is recommended that students complete this course before the MEAR.
- # To enroll in these courses, students must have completed the MEAR successfully, and have been admitted into the Music Education Professional Sequence (MEPS).
- ## All degree requirements, piano proficiency exam, and non-credit teaching certification requirements must be complete before Clinical Practice II placements are approved. Students may not be registered for any other courses during the semester in which they are registered for Clinical Practice II unless pre-approved by the Coordinator of Field Placements.
- < These Liberal Arts requirements are effective for students who enrolled Fall 2018 and thereafter. Students who entered in a previous semester must follow the Liberal Arts requirements effective in his/her year of admission.
