### Jazz Studies & Classical Performance Double Concentration Double Concentration Notes

- Expository Writing (01:355:101) is required, and must be taken in the first semester of enrollment (unless you are placed in a lower-level writing course, in which case you would take the required English courses in sequential order according to your placement. The initial placement in writing is determined by the Basic Skills test).
- The required Liberal Arts courses are shown here as ten 3-credit courses, distributed for balance among the semesters Other distributions are possible.
- Music History I-II (700:301-302) must be taken in sequence.
- Principles of Ethnomusicology (700:303) is usually offered in every semester.
- One or more sections of Special Studies in Music History will be offered every semester, as 700:419 in the Fall and 700:420 in the Spring; either course satisfies the requirement. The specific topic will change from semester to semester.
- Four semesters of Chamber Music and Chamber Jazz Ensemble (701:319, 320, 419, 420) are required. The requirement may be satisfied by Chamber Music (701:355, 356, 455, 456) or by one of the small ensembles listed in the Music Undergraduate Handbook. Enrollment in Chamber Music requires playing or singing at an advanced level; it is therefore usually completed in the last four semesters of the program.
- Keyboard majors in performance are required to take a minimum of two semesters of Art of Accompanying (07:701:351-352) and two semesters of Studio Accompaniment (07:701:451-452). Once a minimum of 4 semesters of Large Ensemble have been fulfilled, these four semesters may be counted towards either the large ensemble requirement or the chamber music requirement.
- Conducting I (700:329) is required and may be taken in the Fall semester of either the third or fourth year (it is shown here in the fourth year). Note: 700:329 is a pre-requisite for 700:330 and therefore performance majors may not enroll in the Spring semester Conducting II course (700:330) unless they have taken the Fall semester course.
- Pedagogy is a two semester requirement:  
 Piano majors Keyboard Pedagogy 701:459-460 Percussion majors: 701:413-414  
 Instrumental majors other than piano and percussion take one semester of the relevant instrumental techniques course and one semester of the relevant pedagogy course:  
 Woodwind, 700:265 and 701:401 String, 700:263 and 701:403 Brass, 700:267 and 701:405
- Because the 8 credits for Music Assembly do not count towards graduation, and the 4 credits for Classroom Piano although not required, are included in the semester credit totals, the grand total of course credits in this sample 8+ semester schedule add up to more than the required number of credits to complete this double concentration.
