Bachelor of Music: Music Education Concentration: Instrumental Requirement Notes

- * A 30-minute Senior Recital is required for graduation for students who enrolled Fall 2013 and thereafter. The senior recital cannot be scheduled if a student has a grade of Unsatisfactory in any semester of *Music Assembly*.
- ** All Bachelor of Music Students (except those majoring in classical piano performance) must pass the Piano Proficiency Examination by the end of the second year. Courses in piano are available to prepare students for this examination.
- *** Percussion majors are not required to take *Percussion Techniques*. They must substitute an additional (third) secondary lesson on a woodwind, brass, or string instrument.
- ^ These courses require field experience.
- ~ *Inclusive Learning in Music* (07:700:389) must be taken in conjunction with a course that requires Field Placement.
- ^^ Registration in *Music Assembly* is required in every semester of full-time matriculation except the Clinical Practice II semester.
- + These courses, along with *Expository Writing*, 12 credits of Liberal Arts coursework with a GPA of 3.00 or higher, and passing the piano proficiency exam should be completed before the Music Education Advisory Review (MEAR).
- ++ It is recommended that a student complete this course before the MEAR.
- # To enroll in these courses, a student must have completed the MEAR successfully, and have been admitted into the Music Education Professional Sequence (MEPS).
- ## All degree requirements must be complete before Clinical Practice II (student teacher) placements are approved. Students may not be registered for any other courses during the semester in which they student teach unless pre-approved by the Director of Clinical Experience and Practice.
- < These Liberal Arts requirements are effective for students who enrolled Fall 2018 and thereafter. Students who entered in a previous semester must follow the Liberal Arts requirements effective in his/her year of admission.
