SEXUAL HARASSMENT POLICY

Every employee has the right to work in an environment free of all forms of discrimination, and sexual harassment is a form of discrimination that is illegal under federal, state and local laws. The Mason Gross Extension Division has zero tolerance for sexual harassment. The complete Rutgers University Policy on Discrimination and Harassment is in effect for all employees, and is located here: https://uhr.rutgers.edu/policies-resources/policies-procedures/policy-and-compliance-guidelines/discrimination-and.

An abbreviated definition follows:

- Sexual harassment is verbal or physical conduct that includes
- Unwelcome sexual advances;
- Requests for physical conduct of a sexual nature; and
- Any written, verbal or physical conduct of a sexual nature that has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile or offensive working environment.

- Sexual harassment includes, but is not limited to the following:
  - Requests for sexual favors; the use of threats or force to obtain sexual favors;
  - Sexual propositions or innuendo;
  - Suggestive comments;
  - Sexually-oriented teasing or joking;
  - Jokes about gender-specific traits;
  - Unwelcome or uninvited touching, patting, pinching or brushing against another’s body;
  - Obscene spoken or written language, obscene gestures
  - Display of offensive or obscene printed or visual material.

An employee who is subjected to sexual harassment, witnesses it, or has knowledge of it should immediately bring the matter to the attention of the Director of the Mason Gross Extension Division. Sexual harassment is considered ‘severe behavior;’ any employee who sexually harasses another staff member or participant will be released from employment.

**FACULTY AND STAFF NON-COMPLIANCE & BEHAVIOR MANAGEMENT**

Working in a summer camp is a highly responsible position involving the safekeeping of minors. The Extension Division expects a high standard of conduct from its staff. Failure to comply with the policies and procedures described in this manual is taken seriously, and disciplinary action will result.

**Procedures We Follow:**

1. **Counseling:** A faculty or staff member who fails to comply with the employment requirements and standards found in this document, may be counseled by the camp Artistic Director, Program Director, or Assistant Director, or by an Extension Division staff member. The non-compliant faculty or staff member will be told why her/his behavior is
unacceptable, and informed that a second infraction may result in termination. The desired behavior will be restated with clear consequences given for failing to comply a second time. Any such correction will be communicated to the Mason Gross Extension Division Director, who will retain record of the incident.

2. **Escalation with Suspension or Termination**: If the behavior is repeated, the camp Artistic Director, Program Director, or Assistant Director, or Extension Division staff member will let the non-compliant faculty or staff member know that behavior remains unacceptable and will then escalate the matter directly to the Director of the Mason Gross Extension Division. The following two options are available to the Director of the Mason Gross Extension Division:
   a. **Suspension**: a faculty or staff member who continually disregards instructions will be suspended for 1 day without payment.
   b. **Termination**: If a faculty or staff member’s behavior remains unacceptable then s/he will be terminated from employment with no further payment due.

3. **Immediate termination for Severe Behavior**: The Extension Division reserves the right to dismiss any faculty or staff member for severe behavior. Severe behavior includes - but is not limited to - bullying, smoking, drinking alcohol, being in possession of alcohol, use of illegal drugs, possession of illegal drugs, unapproved use of prescribed medication, failure to obey Extension Division policies and procedures, abusive behavior towards camp faculty and staff, violation of the Rutgers Policy for the Protection of Minors, behavior that endangers their own safety or the safety of staff or campers, theft, and vandalism of university facilities or property. The Extension Division Director, in consultation with camp faculty and staff as appropriate, will determine whether or not a faculty or staff member’s behavior shall be considered ‘severe.’
