Bachelor of Music: Composition-Performance Instrumental Double Concentration Requirement Notes

- * In addition to the 60-minute Senior Recitals in both composition and the performance instrument, an annual Composition Portfolio Review is also required for Composition/Performance double majors. The senior recitals cannot be scheduled if a student has a grade of Unsatisfactory in any semester of Music Assembly.
- ** All Bachelor of Music students (with the exception of classical piano and organ performance majors) must take the Piano Proficiency Exam by the end of the 2nd year and must pass the exam in order to graduate. Courses in piano are available to prepare students for this examination.
- # For students who enrolled Fall 2015 and thereafter, Composition/Performance Instrumental Double Majors are required to take 2 semesters of RUNME (*Rutgers New Music Ensemble*, 07:701:307) and 4 semesters Chamber Music. The Chamber Music requirement may be satisfied either by the Chamber Music Course (07:701:355, 356, 455, or 456) or by one of the Small Ensembles listed in the Music Undergraduate Handbook (other than RUNME).
- ^ Pedagogy is a two-semester requirement. Instrumental majors other than percussion and keyboard take one semester of pedagogy and one semester of the instrumental techniques course in their area.
- + Keyboard majors must take two terms of *Art of Accompaniment* (701:351, 352) and two terms of *Studio Accompaniment*. (701:451, 452). Upon completion of a minimum of 4 terms of large ensemble, this course can be counted as either large ensemble or chamber music credit.
- ++ Placement opportunities for guitarists and keyboard majors in instrumental large ensembles are extremely limited; therefore, while guitarists and keyboard majors may audition for any large ensemble, they must audition for choir. Specific choir audition times are posted each semester.
- ## Registration in Music Assembly is required in every semester of full-time matriculation.
- < These Liberal Arts requirements are effective for students who enrolled Fall 2019 and thereafter. Students who entered in a previous semester must follow the Liberal Arts requirements effective in his/her year of admission.
