

Declaration of Minor in Music Technology

Students enrolled with degree programs at the Mason Gross School of the Arts or School of Environmental and Biological Sciences may declare a minor in Music Technology along with their B.F.A., B.Mus., or B.A./B.S. degree program. Students pursuing this option will receive their degree/original major with their transcripts also indicating the completion of a minor in Music Technology.

Procedures:

- A minor in Music Technology can be declared at any time.
- Mason Gross students interested in pursuing a minor in Music Technology must complete this declaration form upon reviewing course requirements (see other side).
- SEBS students interested in pursuing a minor in Music Technology must visit with their SEBS advisor in order to officially declare the minor (this form is not required but may be used for your personal reference).
- Students must earn a minimum grade of C in each required course in order to complete the minor
- Students may transfer up to six credits from another institution towards completion of the minor pending a review of the syllabus from the previous institution
- Students may NOT earn both the Certificate in Recording Arts and Minor in Music Technology
- All requirements for the minor in Music Technology must be completed at the time of graduation in order to confirm completion of the minor.
