Bachelor of Music: Music Education Concentration: Instrumental Requirement Notes

- * A 30-minute Senior Recital is required for graduation for students who enrolled Fall 2013 and thereafter. The senior recital cannot be scheduled if a student has a grade of Unsatisfactory in any semester of *Music Assembly*.
- ** All Bachelor of Music students (with the exception of classical piano and organ performance majors) must take the Piano Proficiency Exam by the end of the 2nd year and must pass the exam in order to graduate. Courses in piano are available to prepare students for this examination.
- *** Percussion majors are not required to take *Percussion Techniques*. They must substitute an additional (third) secondary lesson on a woodwind, brass, or string instrument.
- γ One semester of Chamber Music is required. This requirement can be satisfied by taking the Chamber Music course (07:701: 355, 356, 455, or 456) or by taking one of the Small Ensembles listed in the Music Undergraduate Handbook.
- ^ These courses require field experience.
- ~ *Inclusive Learning in Music* (07:700:389) must be taken in conjunction with a course that requires Field Placement.
- ^^ Registration in *Music Assembly* is required in every semester of full-time matriculation except the Clinical Practice II semester.
- + These courses, along with *Expository Writing*, 12 credits of Liberal Arts coursework with a GPA of 3.00 or higher, and passing the piano proficiency exam should be completed before the Music Education Advisory Review (MEAR).
- ++ It is recommended that a student complete this course before the MEAR.
- # To enroll in these courses, a student must have completed the MEAR successfully, and have been admitted into the Music Education Professional Sequence (MEPS).
- ## All degree requirements must be complete before Clinical Practice II (student teacher) placements are approved. Students may not be registered for any other courses during the semester in which they student teach unless pre-approved by the Director of Clinical Experience and Practice.
- < These Liberal Arts requirements are effective for students who enrolled Fall 2019 and thereafter. Students who entered in a previous semester must follow the Liberal Arts requirements effective in his/her year of admission.
