COMPLETING YOUR DEGREE

TIME LIMITS FOR DEGREE COMPLETION

While most Mason Gross graduate programs have set curriculum that ensure you graduate on time, occasionally students have life events that prevent them from doing so. In cases of special circumstances, the Mason Gross School of the Arts has instituted the following policy related to the limit of time a student will have to complete their degree.

The time limit for completion of the master of fine arts degree at the Mason Gross School of the Arts is five years for theater arts and four years for visual arts. The master of music degree must be completed in four years. Candidates for the doctor of musical arts and artist diploma have a maximum of five years from the date of admission to complete that degree.

At no point in the program should the student allow his or her academic registration in the Mason Gross School of the Arts to lapse. The entire master's or doctoral program must be completed within the specified period. Under exceptional circumstances, to be initiated by the student with his or her graduate program director and the dean, this limit may be extended.

MATRICULATION CONTINUED and REINSTATEMENT

All students in degree programs must maintain their status in the school by registering each fall and spring semester in coursework, research, dissertation study, or matriculation continued. Students who fail to maintain continuous registration in coursework, research, or matriculation continued must apply for reinstatement if they are to continue in good standing. Such students are charged a reinstatement fee for each semester in which they failed to register. The current fee for MGSA is \$750 per each fall or spring semester missed.

Students who are forced to interrupt their studies may seek permission from the graduate program director to register for matriculation continued (leave of absence). There is no tuition fee for this registration, although a student fee is charged. This category of registration is available only to students not present on campus and not using faculty time and university research facilities. All graduate students who are on campus and engaged in the completion of degree requirements must register for at least 1 credit per semester.

Late registration for matriculation continued is not allowed beyond the second week of the semester. After this time, the student is required to apply for reinstatement and, depending on degree status, and if approved, will have to pay a reinstatement fee based on the number of semesters missed. Students wishing to drop all courses and add matriculation continued must do so before the first day of the semester.

Registration for matriculation continued is limited to two semesters. After two semesters the student is required to register for at least 1 graduate credit of coursework, which demonstrates progress towards the completion of their degree. Semesters of matriculation continued registration and/or one graduate credit counts in the time limit allowed for degree completion. The current fee for MGSA is \$750 per each fall or spring semester missed.

ACADEMIC AND PROFESSIONAL EXPECTATIONS

Mason Gross trains students to be professional artists. As such, students are expected to conduct themselves with integrity according to the accepted standards of the profession both in their work at Mason Gross and in their outside performances and exhibitions. As has been the policy and practice of the Mason Gross School of the Arts for many years, failure to maintain professional standards is grounds for artistic dismissal whether the behavior occurs on or off campus.

As such, students are expected to adhere to the following expectations of academic performance, professional conduct and scholastic achievement, in order to remain in good standing with the school and program in which they are enrolled. Students who fail to follow the basic expectations outlined below may become subject to disciplinary action such as reduction of grades, academic or artistic probation with restrictions, or even dismissal from the school.

ATTENDANCE

One component of success at Mason Gross is **REGULAR CLASS ATTENDANCE**. You must adhere to the attendance policy outlines in the syllabus or from your instructor in EACH class you take.

If you are going to be absent you must report it on the Rutgers on-line self reporting absence system:

https://sims.rutgers.edu/ssra/

This online system notifies your instructor that you will be absent but <u>IT DOES NOT EXCUSE YOU FROM CLASS</u>. It is essential you speak with your instructor about your absence and discuss arrangements to make up missed work.

For extended absences due to emergency circumstances you must contact DEAN FEILER, providing her with documentation supporting your reason for the absence in order to make arrangements with you instructors.

- READ YOUR DEPARTMENT HANDBOOK ABOUT ATTENDANCE POLICY
- READ YOUR COURSE SYLLABUS FOR INSTRUCTORS ATTENDANCE POLICY

If you pay attention and adhere to these attendance policies your grade will not be negatively impacted.

STUDENT CONDUCT

Rutgers, The State University of New Jersey, is dedicated to teaching that meets the highest standards of excellence. When students choose to accept admission to Rutgers, they accept the rights and responsibilities of membership in the university's academic and social community. As members of the university community, students are expected to uphold our stated values by maintaining a high standard of conduct. Because the university establishes high standards for membership, its standards of conduct may exceed federal, state, or local requirements.

The primary purpose of the student conduct process should be to foster the personal, educational, and social development of students. The process should also serve as deterrence to misconduct to enhance the safety and security of the community. Students are expected to take responsibility for their conduct. Disciplinary consequences therefore serve both educational and deterrence objectives.

The Office of Student Conduct supports the educational goals of Rutgers University by facilitating processes that:

- 1) assist students in making better choices in regards to their behavior

For more information on Academic Integrity and sanctions please visit: <u>http://studentconduct.rutgers.edu/academic-integrity</u>

Or a

Non-Academic Violation:

- 1) Acts of dishonesty
- 2) Safety violations
- 3) Physical misconduct
- 4) Sexual assault or non-consensual sexual contact
- 5) Bullying, intimidation, and harassment
- 6) Relationship violence
- 7) Defamation
- 8) Hazing
- 9) Invasion of privacy

- 16) Violations of other University policies
- 17) Abuse of the disciplinary system

If a student is reported for one of the above Non-Academic violations they will be engaged in a disciplinary process as per the guidelines set by the Office of Student Conduct. Each case is reviewed to ensure fair treatment of all parties involved. Formal charges are filed if after the preliminary review the conduct officer determines there is sufficient information and reason to move forward. Students are then given the opportunity to answer to the charges as "responsible" or "not responsible".

If a student claims they are "responsible" the conduct officer recommends sanctions. Students may agree to the sanctions or appeal. If a student claims they are "not responsible" next steps include either a disciplinary conference or University hearing.

If a student is found to be responsible after the Disciplinary Conference or University Hearing they may file a formal appeal. For more information on Non-Academic Violations please visit: <u>http://studentconduct.rutgers.edu/university-code-of-student-conduct/violations/</u> For more information about the office of student conduct and to access the Code of Student Conduct please visit: <u>http://studentconduct.rutgers.edu/university-code-of-student-conduct/</u>

CHANGE OF PLANS

Transferring within or out of Rutgers

Sometimes students find themselves unhappy. For whatever reason (school size, classes, finances, location, choice of major), there is nothing wrong with realizing once you start here that Mason Gross just isn't the "right fit" for you.

If that's the case please know that your Dean's office is here to help you make the transition to another major, school or institution as smooth as possible.

TRANSFERRING OUT OF RUTGERS—WITHDRAWAL FROM SCHOOL

Rutgers students who wish to leave the university and attend another institution may request a copy of their official transcripts to be sent to the institution to which they are applying online here:

https://transcripts.rutgers.edu/transcripts/index.html

Once you have been admitted to another school and would like to officially withdraw from Rutgers University you must fill out a withdrawal form found online here:

https://www.masongross.rutgers.edu/resources/current-students/

Once filled out students must have it signed by the Dean of Students and distribute it to the offices of the Registrar, Financial Aid, Housing, RUExpress and Accounting. This procedure is to ensure that:

- 1. All class registrations are cancelled
- 2. No term bill is generated (or a refund is issued when appropriate)
- 3. Housing and meal plan contracts are cancelled
- 4. Financial aid and loans are released (an exit interview is required for any student receiving federal aid)

Mental Health and Substance Abuse Support

Counseling, Alcohol and Other Drug Assistance Program & Psychiatric Services (CAPS) was created in September, 2006, by joining the major mental health services on campus into one organization, as part of the Rutgers Health Service. CAPS now includes Counseling Services, Alcohol and Other Drug Assistance Program (ADAP) and Psychiatric Services. CAPS helps students cope with personal problems and realize their personal and educational potential through counseling, (individual, group and relationship), therapy, psychiatric consultations, alcohol and substance abuse services, educational workshops, consultation and training and self-help resources.

Most students go to CAPS when their usual ways of coping are not working well. Counseling helps students deal with specific situations such as the end of a relationship or when procrastination about schoolwork is interfering with academic performance. They also can help students deal with depression, anxiety, low self-esteem or sexual identity concerns. CAPS is dedicated to the service of Rutgers University – New Brunswick students. Their mission is to ensure and promote positive mental wellness on campus.

FINANCIAL MATTERS Scholarships and Financial Aid

Providing the highest quality service to undergraduate, graduate and professional students in pursuit of their academic goals, the Office of Financial Aid is committed to assisting students and families in planning for and meeting expenses associated with attendance at the university. Their primary objective is to assist students and families in planning for and meeting expenses associated with attendance at the university. The Office of Financial Aid focuses on establishing aid eligibility, awarding scholarships, grants, loans, and employment to eligible students as well as providing financial aid counseling to students and families.

More than 79% of students enrolled at Rutgers receive some sort of financial aid in the form of scholarships, grants, loans and student employment. Each student receiving need based aid is assigned a budget, the amount of aid cannot exceed your maximum financial aid budget allowance—or in other words, you cannot receive funds that exceed the total cost of your attendance. Many students don't engage in their financial aid package and are caught off guard when things change. Here are a few things the Dean's Office would like you to attend to in order to make sure you are not put in a difficult financial situation down the road.

- 1. **MERIT SCHOLARSHIPS**: If you received a merit scholarship (for talent or academics please be sure to review your award letter for specific renewal requirements). Many times these awards require students to be registered for a minimum of 12 credits and have a minimum CUM GPA of 3.25 or above. Some requirements are even higher. Make sure you know them and maintain them to keep your awards.
- NEED BASED AID: If you are receiving any sort of need based aid (loans or grants) you must make Satisfactory Academic Progress to keep your award. Satisfactory academic progress (SAP) is a requirement for all students receiving federal, state, or university assistance while enrolled at Rutgers. Financial aid recipients must meet both a qualitative and a quantitative standard to maintain eligibility for aid. In addition, the student must complete the program within the maximum timeframe. For more information please visit: https://financialaid.rutgers.edu/eligibility/academic-progress/
- 3. FILL OUT YOUR FAFSA EVERY YEAR: If you wish to receive aid from Rutgers you MUST fill out your renewed FAFSA form every year in which you are enrolled.
- 4. NOT ENOUGH AID: If your financial aid package is not enough or you had a change in circumstance which resulted in a loss of income TALK TO YOUR ASSIGNED CONSE-LOR in the office of Financial Aid who can instruct you on how to submit appeals and re-structure your financial aid package.

As a part of the Student Experience Improvement Initiative, a student will be considered enrolled if they complete the **RUHere** process, whether or not the student has submitted a term bill or has an outstanding balance.

RU HERE?

All registered students who log into a RUTGERS website utilizing the Central Authentication Service (CAS) will be automatically redirected to a **RUHere** dialog box (pop-up) prior to the start of each term. If you are attending classes, on campus and using our facilities you must reply "Yes" the **RUHere** question to verify your intention to enroll for the given semester.

By responding "Yes" to the **RUHere** dialog, you will be considered enrolled, financial aid will disburse to their account, and you will not be deregistered for classes for non-payment or an open balance on the term bill.

If you respond "No" to the **RUHere** dialog, you will be considered not enrolled, financial aid will not disburse and their registration will be cancelled at the conclusion of the add/drop period.

Consequences for Non-Payment

Students who have an outstanding balance on their term bill at the time of registration for the next term will be blocked from registering for classes. Registration for Spring 2021 begins on November 8, 2020; students must have either paid in full or made payment arrangements (i.e., enrolled in a tuition payment plan) by November 6 to be permitted to register for Spring 2021 classes at that time.

Financial Aid and Student Accounting offices, academic administrators and campus staff will contact non-paid students and encourage payment and/or confirmation of attendance.

If a student wishes to drop all of their classes before the start of term or withdraw after the start of term, they must follow the procedures on page 13 of this packet.

Students will incur late fees if they do not make payment arrangements by the term bill due date. These late fees will not be waived by the Student Accounting offices.

Financial Holds

University departments and offices place "holds" on registration, diplomas, and transcripts for students with outstanding financial obligations (of one dollar or greater) with the university. Payments must be made on a timely basis for all services or transactions.

Financial holds will block a student's ability to register and will hold grades and transcripts unless payment in full is received. Examples of outstanding financial obligations include:

All account balances not paid in full when due are the sole responsibility of the student. You are also responsible for all costs incurred by the university to collect such debt. This may include, but is not limited to, late fees, collections costs, litigation/attorney's fees, and court costs.

- parking fines and tickets
- unpaid student loans,
- unreturned books to the library
 - unpaid tuition and fees
- uncompleted exit counseling sessions

Refunds

A student who voluntarily withdraws from all courses during the first six weeks of a term will receive a partial reduction of tuition and fees (campus, school, and computer) according to the week of withdrawal. First to second week: 80%, Third to fourth week: 60%, Fifth to sixth week: 40%, Students are only eligible for tuition refunds if they officially withdraw from Mason Gross through the Mason Gross Dean's Office.

PARKING

There is VERY LIMITED parking available on campus, so we highly recommend using public transportation whenever possible. Students living ON CAMPUS are encouraged to NOT bring their cars to campus and use the transportation provided by the university and described below.

Anyone that needs to park in university parking areas must obtain a permit. The parking permit you will receive and the respective fee is determined by:

- Your affiliation i.e. student
- Your time spent on campus i.e. commuter, resident, night commuter

Once your vehicle is registered and payment is made, you will receive a Hangtag:

- Which indicates the Zone where you may park
- ONE hangtag is to be used for ALL registered vehicles
- Must be hung from your rearview mirror with assignment and expiration date facing the outside of the vehicle

ONLY PARK WHERE YOUR PERMIT INDICATES, PARKING IN LOTS YOU ARE NO PERMITTED IN WILL RESULT IN A PARKING TICKET. FAILURE TO PAY PARKING TICKECTS CAN PUT FINANCIAL AND REGISTRATION HOLDS ON YOUR ACCOUNTS AND TRANSCRIPTS!

BUSES

The Rutgers-New Brunswick/Piscataway inter-campus bus and shuttle system is a service provided for all five campuses. It is available to all members of the university community.

Students are encouraged to take advantage of the campus transportation services as much as possible, they are free and very quick! In order to maximize your use of this resource download the **NEXTBUS** app to your smart phone. **NEXTBUS** is actual arrival information, updated at regular intervals. Because traffic variations, breakdowns, and dayto-day problems faced by any transit provider can interrupt service, **NEXTBUS** was designed to keep you on schedule even if your bus or train isn't. From the comfort and security of a protected place, you can learn when the next bus will arrive at your stop.

For more information, routes and schedules please visit: <u>http://rudots.rutgers.edu/campusbuses.shtml#brunsquick</u> Need to get home after hours or in the middle of the night?
